2019 Judging Team

HEAD JUDGE

Garry Chin ZNA, AKCA Certified Judge - AKJA Senior Certified Judge

Assistant Judges

Michelle Gravenish AKJA Certified Judge
Larry Christensen ZNA Certified Judge
Alan Stein ZNA Certified Judge.

There will be the usual 6 koi judges, but at time of publication only 4 have accepted.

Exhibitor Requirements and Fees

1. This is a hobbyist koi show and will be conducted English style with the koi of each exhibitor kept together in their own tank(s). Koi dealers having a business license or name for the purpose of selling koi or employees of koi dealers are not permitted to enter. Exhibitors engaged in only the sale of dry pond or pond related products and their employees are permitted to enter.
2. The registered exhibitor must be the actual owner of the koi entered.
3. Koi dealers may assist their customers by transporting koi to the show; however, **the actual owner of the koi must be present during benching, registration and at the conclusion of the show.**
4. **The exhibitor must sign the official entry/ownership form and pay all fees prior to the close of registration (Friday 8:00 PM) in order to qualify for judging. PRE-REGISTRATION AND PAYMENT IS REQUIRED TO HAVE A TANK AT THE SHOW!! To allow for additional show entrants the 2019 show will limit each entrant to a maximum of 4 tanks.**
5. Checks or money orders should be made payable to: **KCSD or Koi Club of San Diego**. Tanks will not be reserved without your completed **registration**, which includes payment in full and submission of both the Exhibitor Registration and Koi Entry Worksheet. Also for 2019 – Credit card payment by listing phone number and email address on registration form for call back to complete payment transaction. Tanks not assigned until payment completed.
6. **Pre-registration and fees must be postmarked no later than February 8, 2019.** The \$60 registration fee includes the first tank only. Each fish is \$5 and additional tanks based on your fish load are \$30. Additional tanks requested without meeting the maximum fish load per tank will be \$60. No tank will be stocked beyond the 100% load as determined by the calculations shown on the entrant work sheet. Supplemental entries (made after the initial koi entries have been benched) are \$10 per fish. Registration post marked after Feb 9th (if tanks available) is \$80 for the first tank and \$50 for additional tanks and \$10 for each fish.

7. Exhibitors may, by mutual agreement, share a single tank, but it is not recommended. One exhibitor is designated as the primary exhibitor and is responsible for all costs associated with the tank. Both exhibitors must be present during benching and at the conclusion of the show.
8. Each exhibitor is responsible for providing a net for use with their tank. If you do not provide a net, we will provide a net for use during benching and judging for a \$20 rental fee. A shared tank only requires one net.
9. KCSD will provide a separate tub for use with each tank.
10. Past Grand Champions of KCSD shows are eligible for entry.
11. There will not be any restrictions on exhibitors selling their koi, including using their own or other websites and/or facilities after the release of exhibitors at 2 PM Sunday. Exhibitors are not allowed to post or advertise on the show tank or the splash screen.

Delivery and Removal of Koi

1. **Check-in of koi will be on Friday ONLY from 2 PM to 8 PM.** Arrivals prior to 2 PM Friday may have to wait until all show tanks have been treated prior to floating bags or releasing koi in their assigned tanks; please check with the Show Chairman in advance of your arrival. Koi purchased from the vendors on Friday between 2 PM and 8 PM will be accepted and judged.
2. Each exhibitor will be assigned a tank(s) by the Entry Chairman. Exhibitors having multiple tanks may designate which of their fish go into which tank, as long as the individual tank load criteria are maintained.
3. Do not float bags in the tanks until you have been assigned a tank(s) and given approval by the Show Chairman or Entry Chairman. **The owner or agent delivering the koi must remain with the koi until the koi are released into their tank(s).**
4. The exhibitor (owner) must be present during benching and classification of their koi.
5. Digital photos will be taken of each fish during benching.
6. Koi will be handled only by the Show Chairman's designated handlers. If you have a concern and need your koi tubbed following check-in, please request a designated handler from the registration desk.
7. All entries must be left on exhibit until the conclusion of the show on Sunday at 2 PM. If you live more than 200 miles from the show site and will need to leave early, please contact the Show Chairman **prior** to show entry for advanced approval.
8. All necessary precautions will be taken by the club to safeguard the exhibitor's koi, including 24-hour monitoring. All participants in the show will agree to hold the KCSD, its officers, members, and show volunteers harmless against any loss or injury to the exhibitor's fish. Exhibitors should provide a 24-hour emergency contact telephone number on their registration form for use by the Show Chairman.
9. Sunday at 2 PM, prior to the close of the show, each exhibitor will be polled to ensure that all of their fish are in their assigned tank(s). **All exhibitors must be**

present at that time to verify and remove their koi from the show site. No koi will be allowed to be bagged or removed until all fish are identified to the satisfaction of all entrants and officially released by the Show Chairman. Out of town exhibitors will be given priority for fish removal and KCSD members will be available to assist, if requested. Oxygen, bags, and rubber bands will be available.

10. Any koi not claimed at the conclusion of the show will become the property of KCSD.

Pre-Show Preparations

1. **Please discontinue feeding your koi 5 to 7 days prior to the show.**
2. Be sure that your koi are in good health. Koi with any signs of sickness or parasites will be disqualified. Examine your fish from top to bottom before you bring them to the show. Fish that have any signs of injury, parasites, or illness should not be transported to the show. This will include any areas of injury or infection that are not completely healed. The decision of the Show Chairman will be final in this matter.

Judging

1. Prior to judging the Show Chairman will verify that all koi are entered into their proper class and size. If an error is made, correction of classification will be made prior to judging, or during judging if it is possible without disrupting the judging process. Gin Rin and Doitsu will not be reclassified after exhibitor has made that selection during check-in and benching.
2. During judging, entrants may quietly and respectfully listen to the Judges' comments from outside the show ring. All participants and spectators must refrain from communicating with the Judges or attempting to influence their decisions in any way. Decisions of the Judges and the Show Chairman are final.

Don't Miss the Awards Banquet at the Show!!! **Brazilian Steakhouse BBQ Served Family Style** **More than 60 trophies and a koi related item Auction**

We will be eating with our fish!!! The Activity Center is the place to be after the show Saturday night. There will be over 60 trophies and the Judges will present the major awards and discuss why they picked those koi. We'll have a Koi Products Drawing and Auctions of "Specialty Items" and there's sure to be a story or two (worth the price of admission). All this in a great setting and you're already there!! Get your reservations in early - this evening is sure to be a hit and sold out the last three years.

Entrée: **Brazilian Steakhouse BBQ** featuring filet mignon, marinated shrimp, linguica (Portuguese smoked sausage), vegetable skewers with salad, black bean stew, Brazilian rice and of course dessert. All served family style at your table.

MAIL IN THIS COPY WITH YOUR EXHIBITOR REGISTRATION

When you arrive Friday March 1st with your koi please proceed to the Vehicle Entry on the east side of the building. John Svelan will have the tank assignment list and be located at a table set up by tank 48 – checking in with John gets you your tank(s) assignment and gets you placed on the benching priority list according to time of check-in. If you have any questions concerning when your koi will be benched please don't hesitate to ask John. Once you have checked in and have been assigned a tank(s) you will be able to drive to your tank to unload your fish.

I look forward to seeing everyone at our 32nd Anniversary Koi Show!!
