# The President's Corner

## June 2017

### Scotty Yee

If you didn't hear, we cancelled this year's Koi Auction. I hope we can gather our strength as a Club and hold one next year. As for a replacement event, we held a monthly meeting at my house. It was "kind" of a last minute thing, but I hope all that attended had a good time. The meeting was held Saturday May 20<sup>th</sup> and a bit earlier in the afternoon 12pm to be exact. We had a fine turnout, and we also had a special surprise for those who attended. Koi Jack Chapman was kind enough to bring Five of his prized Koi to my house to have an impromptu "Auction." Wow, what a treat to see and possibly win one of Koi Jack's Koi. The "Impromptu" Auction was a BIG success. The Koi bidding was hot and heavy and pretty fun. I know the folks of the Winning Bids were super excited to take home show quality koi. The Five Koi auctioned brought in over \$1100.00, and half of the proceeds going to the Club. Can't thank you enough Jack for your kind donation. The attendance wasn't as big as some of our meetings but the food folks generously brought could have fed the entire club!!! Thank you to all of the club members who continue to support the monthly meetings with your generous Potluck specialties and drawing items. I was happy to host and even sparked up the BBQ and served some Hotdogs.

June is also the Month that we elect new Officers for the Club. If you are interested in holding a position within the Club, please contact Linda Pluth at 619-200-4146 and she can add your name to the Election Slate. We don't take proxy votes, so please attend the meeting on June 11<sup>th</sup> at the home of Jeff and Judie Lincer in La Mesa and cast your vote.

Some inside information: we are updating our Website, our newly appointed Webmaster, Gerald Ellison is heading up the project, so be on the lookout for an e-mail announcing the "New" site.

I also hear Gerald is heading up a Club Growout contest for Club members Only. And it's going to be a pretty cool event. Who can GROW their koi the largest and if your koi doesn't get big, there will be a beauty contest in conjunction with the Growout contest. At the time of this article, Gerald has secured Koi from Shawn McHenry of Mystic Koi. Shawn, who happens to be our guest speaker at the June General Meeting, is supplying the Club with Koi from some famous Japanese Breeders at a great price. So if you ever wanted to own Japanese Koi for a reasonable price, be on the lookout for the Club's Growout event.

Last but not least, it's not too early to be thinking about our 2018 Koi Show! Our first show meeting will be on Wednesday, June 21<sup>st</sup> and we would love to see you in attendance. Also, please start thinking about your unique design for our 2018 Show Pin! The contest is normally held at the August General Meeting so you'll be hearing more in the very near future.

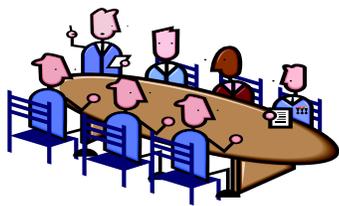

Hope to see you at our next meeting.

Scotty

**Editor's note: This is the LAST PRINTED newsletter. The July Newsletter will be in electronic format only. All members will receive an email with the Newsletter attached or a link to the newsletter on our NEW web-site.**

Jerry

# Notes from the Board

May 2017

Phyllis Spoor

Fun Filled Koiing

**MONTHLY MEETINGS-** The May meeting will be held on the 20th at Scotty and Erika Yee's house in Bonita. Please remember your potluck dish and chair. The June 11th meeting will be at Judie & Jeff Lincer's house. Shawn McHenry of Mystic Koi will be our guest speaker .

FRIENDS OF KOI AUCTION was canceled due to lack of volunteers and will be replaced by the monthly meeting may 20th at Scotty and Erika Yee's house.

**MEMBERSHIP-**To renew your membership, order name badges or request the snail mail newsletter version please contact our Membership Chairman, John Svelan, at [membership@koicsd.org](mailto:membership@koicsd.org) or 858 444-5669. Active - 113 Families – New- 2– Renewals- 2 - Delinquents - 16 – Inactive- 5. Greg Ruth is taking over membership Chair from John Svelan prior to July 1<sup>st</sup>.

**MEETING HOSTING OPPORTUNITIES-**If you would like to host a meeting please contact Susi Woods at: [venue@koicsd.org](mailto:venue@koicsd.org).

**SPEAKING OPPORUNITIES-**suggestions for speakers or topics please contact Gerald Ellison at [program@koicsd.org](mailto:program@koicsd.org). There is a lot to learn about koi keeping and we need to hear what you would like to learn about and/or who you would like to speak/present or can provide the expertise that you need to make your koi experience better! Contact Gerald and let him know what you want!!

**TREASURER:** Dr. Bob Adler has volunteered to be the new treasurer working with contract hire bookkeeper Karen Isordia. The club will pay her \$100 per month. The Club laptop computer and Quick Books software will be transferred to Dr. Bob.

**JFG REPORT BY OUR GARDEN LIAISON Linda Pluth-** The annual garden volunteer dinner will be June 9. It will have a star wars theme and you are welcome to come in costume.

**KOI SHOW 2018 PLANNING-**DR. BOB ADLER has agreed to continue as show chair with Jack Chapman as Entrant Chair and Water Quality, Greg Ruth as Vendor Chair, Al Pierce as Show computer program and Gerald as Judges' coordinator. Dr. Bob will handle the show contracts including the show banquet. Todd Ruth's show program will be used. Bugs-including the handling of picture display on the big screen will be resolved. MSAP to purchase 18 trophies of Murano Glass for a cost up to \$1,500. Should the decision be made to eliminate the B categories, the excess trophies could be used in succeeding years.

**Show up and become involved. It's more fun to be an active participant.**

**Show Committee Meeting – Wednesday June 21<sup>st</sup>.**

**Dr. Bob's office in Hillcrest**

**920 Washington St**

**San Diego**

**Please RSVP if attending KCS D 2018 KOI SHOW PLANNING BEGINS**

Everybody welcome. Come be a part of the exciting process of putting next year's show together. Please RSVP to Dr. Bob if attending.

**SOCIAL MEDIA-FACEBOOK-TWITTER-YOUTUBE-INSTAGRAM:** The Original KCS D Koi Club Facebook page is up and running. Just enter Koi Club of San Diego in the friend search at the top of your Facebook page to friend it. Getting more hits on the page. KCS D Koi Show pictures posted including Bill's, mine and others. If you have pictures you want to share join in the fun and send them to Scotty and they might be posted on the club web page. The pictures are a participatory sport so to speak. Speak to Gerald if you do not have or want a public Facebook page. You can have an alias page and nobody will know it's you.

**NEWSLETTER:** Jerry is continuing as Newsletter editor. Due to cost, the June 2017 edition will be the last printed version and they will no longer be mailed. The email/web version will continue as always.

**WEBMASTER:** Jerry has resigned as webmaster to devote more time to Vagabond Koi. Gerald is the new webmaster and will be working on the transition to the new website.

**PUBLICITY:** Mike was not in attendance. We are looking for a new volunteer to head up our publicity efforts.

**NOMINATING SEARCH PERSON FOR NEW OFFICERS:** Linda Pluth was nominated and accepted the position as Nomination Chairman. Linda is looking for new officer candidates for the following elected positions: President, 2 Vice Presidents, Treasurer and Secretary.

**KHA KORNER**  
by  
“KOI” Jack Chapman

KHA Korner: So what's the **plan** for your koi and pond in the coming year(s)???

I was reviewing the koi part of my annual hobbyist plan (developed each year between mid-Jan to mid-Feb, when my koi are not fed) and thought I might update a two year old article on this same subject. As a koi hobbyist, I think you owe it to yourself, your koi and your pond to review at least once a year what's happened around your pond in the past year and what you want to accomplish in the coming year. With that in mind the following is not necessarily in order of priority but is intended to help you get started.

- 1) Are you happy with your pond? – Make a list of the good things, okay things and the not happy with things.
- 2) What kinds of things could you consider to improve the items on the okay or not happy wish list? If you're anal like me, you even think about making the good list even better – this is where I get myself in trouble LOL.
- 3) How are your pond parts working? Pond design, drains, pre-filter, bio-chamber, returns –waterfalls and TRPs, UV, pumps (age and backup), power supply, shade and anything you want to change, add or subtract.
- 4) What, if anything, do you want to do about your water quality? So think about things like pond clarity, temp, pH, ammonia, nitrite, nitrate, oxygen, ORP, alkalinity, and pond volume turnover rate to get you started. Any issues with these things in the past? How old are your water test kits? I recommend you replace the basic kit items annually.
- 5) What's your total system water volume, and with existing filtration system and how many koi would it support? Better question is how much koi weight will it support? If you have too many koi – what are you going to do? Don't forget the club koi auction is usually in May; however this year we lacked the volunteers to conduct the auction.
- 6) Are you happy with your koi? If you are going to add koi – what about quarantine and can your current pond system handle the additional fish load? And, yes what colors do I need to add or increase to improve the pond's total looks. Red (hi) is considered the base color for most koi pond collections.
- 7) What changes would you like to see in your koi and what nutritional items would assist in those changes? Feeding schedule? It is just great to observe an improvement to the shiro (white), hi (red) and sumi (black) of the koi swimming in your pond – and what and how often you feed your koi plays a major role in this respect.
- 8) What, when and how (the plan) to do what you want to do around and in your koi pond over the next 12 months. What maintenance schedule do you want to try and maintain?
- 9) What do you want to do that I forgot to put on my list?
- 10) A written plan in your **pond journal** will more than likely help you to evaluate your changes as the year unfolds so you can schedule the general date you would like to do this again in 2017/18.

Yes, this could go on forever, but I wanted to keep it to just 10 items before you lose interest while touching on the main areas for your hopefully annual consideration on this subject.

In closing, I've noticed lately we seem to have the same small group of dedicated club members doing about everything and a few are showing signs of stress from overload so when you do the above exercise and you answer question number 9 – please think of something you would like to do that the club needs volunteers for or ask if you could help with something. Trust me you only have to be able to spell koi to be qualified for 95% of the club's need-to-do list.

r/koi jack

# KCSD ELECTED OFFICER SLATE 2017-2018

Here is the list of candidates for all elected positions. We can still take nominations from the floor at the June General meeting and then have a run-off election. And you can still contact me (Linda Pluth, 619-200-4146, [lpluth@cox.net](mailto:lpluth@cox.net)) if you would like to volunteer for a position between now and the June meeting.

<b>President</b>	<b>Scotty Yee</b>
<b>Vice President-Program</b>	<b>Jack Chapman</b>
<b>Vice President-Venue</b>	<b>Linda Pluth</b>
<b>Treasurer</b>	<b>Dr. Bob Adler</b>
<b>Secretary</b>	<b>Phyllis Spoor</b>

## ELECTION TIME

**It's that time again!!! In April we start thinking about the election of our 5 officers. We will begin now to take nominations for President, Vice President of Program, Vice President of Venue, Treasurer and Secretary. The slate of proposed officers will be presented at the June General Meeting. Nominations can also be taken at that meeting from the floor. If you have an interest in stepping forward and serving on the Steering Committee as an elected officer, here is your chance. All positions are open, of course, and some of the elected officers either cannot run again (term limits) or wish to step down after their service. We are especially looking for a permanent Treasurer. As most of you know, our previous Treasurer, Paul Atkiss, moved out of state last year. Although his profession is finance, he said that the position of Treasurer in our club just needs someone who is very organized and detail oriented. Please contact Linda Pluth who is this year's Nominating Committee Chairman for a job description and time commitment (generally just one additional meeting a month). Job descriptions are also on the Club's website in the By-laws.**

***Please refer to the clubs by-laws for information pertaining to each office you may be interested in.***

***Present By-Laws can be found on our website <https://www.koiclubofsandiego.org/> click the Resource tab and the By-Laws are on the bottom.***

## **KCSD 2017 GROW OUT CONTEST**

**For Koi Club of San Diego active members only**  
**Date: June 11th, 2017**  
**Time: 1:00 pm**  
**Location: Judie & Jeff Lincer, La Mesa**  
**Speaker: Shawn McHenry from Mystic Koi**  
**Topic: Grow out and how to pick young Tosai Koi**

### **Purpose:**

The main purpose is for KCSD member hobbyists to share their tosai grow out experiences and tosai appreciation. It's also a chance to purchase high quality tosai from a top breeder at a special discounted price. When you return them after a growing season to compare and share growth and development against their siblings at next year's event it'll be educational and fun for all.

### **Grow out rules and details:**

Mystic Koi has secured Koi fish from Taniguchi, Omosako, and Beppu. 30-50 pieces depending on pre-registration. Varieties include Gosanke, Goshiki, Shiros, and Kujakus (subject to availability). This event is for KCSD active membership, you must have active membership in Koi Club of San Diego during selection and judging events to qualify.

To ensure all participants get an equal chance, a lottery system will be used to distribute the koi. Selection order will go by order of corresponding member and their assigned lottery number. It is possible for multiple rounds once everyone completes their first choice and then proceeds to next round if any members wish to select additional koi.

Selection for the 1<sup>st</sup> round of quality tosai are \$75 each. Price for 2<sup>nd</sup> round and any additional rounds are \$75 per fish. Every koi will be photographed with numbered identification and posted on our website. At the event the koi will be displayed in viewing tanks with numbered photos of each koi to allow your close examination.

All koi returning for the approx June 2018 judging must be in good health. Koi with any signs of sickness or parasites will be disqualified. Examine your fish from top to bottom before you bring them to the contest. Fish that have any signs of injury, parasites, or illness should not be transported to the judging event. This will include any areas of injury or infection that are not completely healed. Returning fish will be judged in individual bags.

### **Awards and Judging:**

Shawn McHenry will return around June 2018 to a general meeting to judge for the following awards:

The Three Most Growth Tosai (based on increase in length) 1st place, 2nd place and 3rd place and Judge's Award.

PreRegistration is strongly encouraged. Event details, registration, and payment can be found at:

<https://koiclubofsandiego.wildapricot.org/event-2542957>

Full payment is due prior to event. Purchase of these fish in this event are subject to appropriate taxes.

Any questions, please email Gerald Ellison at [program@koicsd.org](mailto:program@koicsd.org)

Regards,  
Gerald Ellison

# Koi Club of San Diego Ponder Profile

**Jeff and Judie Lincer**  
**La Mesa, California**

One of the most unique koi ponds you will ever see belongs to Jeff & Judie Lincer of El Cajon. What started out as a 9 foot deep, 35,000 gallon swimming pool is now home to around 45 koi, 3 Chinese Hi Fin sharks, a couple of large Plecostomus and a pair of red eared slider turtles. Those are just the main characters of this natural habitat. Let's not forget the rosy red minnows, killifish, platys and pacific tree tadpoles (hopefully frogs by now!). Of course when you create an eco-system like this you can expect the unexpected such as hatching out dozens of beautiful dragon flies and the occasional visit from a Snowy Egret, Heron or Osprey!

Jeff, a semi-retired Wildlife Biologist and Judie, a former Special Ed Teacher and Naturalist Educator started dreaming of this home eco system years ago, became members of the California Native Plant Society and are very active with the Audubon Society. Their home has been featured in the Union Tribune and many Audubon publications. Wildlife flourishes in every direction now!

The pond is undoubtedly the main attraction but Jeff and Judie's landscape is completely surrounded by native plants, rain collection systems, vegetable gardens and of course a major bio-filter for the pond which doubles as natural wetlands for critters of all types. An Ultima II serves as the mechanical filtration coupled with a large variable speed pump to provide circulation and oxygen. A conversion project such as this requires lots of research and Jeff and Judie spent lots of time doing their homework. Once the decision was finalized, they started by eliminating all the nasty pool chemicals and within two weeks the pool... correction pond started turning green. There was no going back now! They joined the Koi Club of San Diego and picked up a few rescues from Vagabond Koi and the new fish began to thrive. As you can see from the photos this is one special koi pond!

Thank you so much for sharing your home and your Ponder Profile!

John Svelan  
Membership Chairman
